

# @5100 A3 Multifunction Scan Station

The @V5100 is an innovative integration which features scan-to-email, scan-to-server, and digital copy capabilities. The scan-to-mail feature lets you scan paper-based document and and save them to designated server.

Best of all, when the @V5100 is connected to your laser printer, the whole set is able to perform high-quality color copy to enhance your workflow and document impact.

**E-MAIL · COPY · FILING · PC FREE**

### @V5100 Specifications

#### General Specification

Type	Document Scan Station	Consumption	< 30 W
Type Memory	4.5/8.5MB Flash ROM, 112.5MB DRAM	Dimension	444mm x 365mm x 275 mm (including ADF)
Technology	Color Charged-Coupled Device(CCD)	Weight	< 6.25 Kg
Light Source	Cold Cathode Fluorescent Lamp (CCFL)	Interface	IEEE 1284 ECP/SPP, AV-copy
Power Consumption	< 36 W	Dimension	300mm x 572mm x 502mm
Scanning Area	ADF mode 11.8"x17"(A3) Flatbed mode 11.8"x17"(A3)	Power Adapter	External, Input: AC100-240Vac, 50-60Hz, Output: 24Vdc, 2A

#### Copy

Protocol	TCP / IP,HTTP,DNS, DHCP
Weight	11.9 Kgs
Copy Speed	B/W: 20 CPM, Color: 10 CPM

#### Network

Connection	Ethernet 10 Base-T/100 Base-Tx,Auto Negotiation
Supported Browsers	Microsoft IE 5.0 or higher / Netscape Navigator 6.0
File Format	PDF,JPEG,TIFF, PCX(B/W only ), WDL
